

MEMORANDUM OF UNDERSTANDING **FOR THE IDAHO ONE STOP SYSTEM**

INTRODUCTION

This Memorandum of Understanding (MOU) is entered into in the spirit of cooperation and collaboration by the Workforce Development Council, hereafter referred to as "the WDC" and the One Stop delivery system signatory partners, hereafter referred to as "the One Stop partners" or "partners" to describe how their various funding streams and resources will be utilized to better serve their mutual customers, both job seekers and employers, through an integrated system of service delivery operated at comprehensive sites known as *IdahoWorks* Career Centers and satellite sites, called *IdahoWorks* Career Connection sites. It is understood that the development and implementation of these Centers will require mutual trust and teamwork among the One Stop partnering agencies and the WDC, working together to accomplish the shared goals.

PURPOSE

The purpose of this MOU is to establish the framework for operation of the One Stop system in a manner that maximizes services to system customers while making efficient use of public resources.

STRATEGIC VISION FOR THE ONE STOP DELIVERY SYSTEM

The partners to this Agreement agree to support the goals of the Workforce Investment Act of 1998, hereafter referred to as WIA, including:

- Streamlining customer services in the One Stop delivery system
- Empowering individuals through access to information on programs, services, and outcomes available through the One Stop system
- Universal access to core services for all individuals entering the workforce investment system
- Accountability for performance and customer satisfaction

The partners agree to share accountability for achievement of the Workforce Development Council goals in attachment #1 and commit to the Vision, Guiding Principles and Goals for the One Stop system in attachment #2 to this Agreement.

PARTIES AND PROGRAM SERVICES

The partners, programs and services offered as part of the One Stop system are included as attachments to this MOU.

JOINT RESPONSIBILITIES

Leadership

The WDC will set the vision and goals for the workforce investment system and will assist partners in continuously improving the system. The One Stop partners will be responsible for coordinating delivery of services in the One Stop system. Partners will share joint responsibility for providing leadership in the design and delivery of shared processes or services offered by the partners.

System Integration

The partners will promote system integration to the maximum extent feasible through the cross training of staff, use of common and/or linked information systems and participation in a continuous improvement process designed to improve processes and increase outcomes and customer satisfaction.

Cost Sharing

Partners agree to enter into a cost sharing agreement on an annual basis to support the cost of shared services and jointly occupied facilities. Such agreement shall meet the principle of proportionate responsibility for support of services. Cost allocation among partners shall meet the WIA and its regulations, OMB circulars A-21, A-87 and A-102 state rules and policy guidelines and any local policies regarding cost sharing.

Confidentiality

Customer information, on employers and job seekers, will be shared in accordance with separate information release agreements. Partners agree that confidentiality of customer information will be maintained at all times.

Hold Harmless

Each partner to this Agreement will assume liability for its actions and the actions of its agents under this agreement. Each partner shall hold harmless, defend and indemnify all other partners to this agreement from any and all claims for damages, including costs and

attorney fees resulting in whole or in part from the partner or its agent's activities under the Agreement.

Operational Management

Disputes

The Partners acknowledge that disputes may arise from time to time and agree to attempt to resolve such disputes in the most expeditious manner possible. The WDC will agree upon a resolution and offer a recommendation for action to the parties involved. If such action fails, the parties agree to use the dispute

resolution process which may include notice to appropriate Federal agencies to aid in resolution.

Incorporation of Additional Partners to Agreement

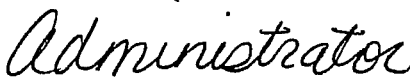

The WDC or partners may agree to invite other organizations to participate. If such an invitation is issued and accepted, the organization will be considered a partner from the date of its acceptance letter and the review and approval by the WDC. 4. Services to be Offered in the One Stop System

The One Stop partner agrees to the following provisions adopted by the WDC:

- Required One Stop partners will make applicable core services available and provide access to other services in at least one physical One Stop Center within each workforce region;
- Partners may utilize any authorized methodology to deliver core services provided the methodology
 - is consistent with the partner’s authorizing legislation and the WIA;
 - does not require the customer to travel to another location to obtain the core service; and
 - meets minimum standards of accessibility set forth in Section 188(a)(1) of the WIA.

ICBVI staff can deliver certain core services. These include outreach, intake and orientation, initial assessment and assistance with job search and placement. However, we do have certain restrictions as the population served by ICBVI must be legally or functionally blind, which presents barriers to employment and require vocational rehabilitation to achieve an employment outcome. Certain functions such as the determination of eligibility and the approval of the Individual Plan for employment must be done by the ICBVI VR Counselor.

Location and Strategy for Providing Services

ICBVI has 6 VR counselors statewide and they are available in Coeur d’Alene, Lewiston, Boise, Twin Falls and Pocatello. They can meet with customers at the One Stop offices on an on-call basis, access ICBVI electronically or get information through print and other media.

5. Cost Sharing

All required one stop partners are required to use a portion of their funds to create, maintain and participate in the One Stop delivery system and to provide their core services.

Part Time or Visiting Partners

ICBVI will be a part time or visiting partner at the One Stops and can deliver our core services at these locations on an on-call or itinerant basis.

The visiting partner agrees to assume responsibility for a fair share of the common costs of the Center based on a pro-rata share of participants of each partner who use the center. The partner agrees to provide a list of participants enrolled in their program at least once each fiscal period, at a time and in a manner to be agreed upon by partners to this MOU for the purpose of establishing the fair share of common costs. If costs are determined to be immaterial based on the participation of partner participants, no costs will be assigned to the partner. If costs are determined to be material, a separate agreement will be negotiated and affixed as an addendum to this agreement.

6. Referral Arrangements

ICBVI will make referrals to the One Stop system either by phone, email, electronically through the website or by physical presence in the One Stop office. Referrals to all other One Stop partners will be made using the same methods, depending on the individual needs of the client.

When One Stop partners refer people to ICBVI, they need to consider that the person has a visual impairment or blindness as the disabling condition as this is the restricted population that ICBVI serves as defined in the Rehabilitation Act Amendments of 1998, Title IV of the Workforce Investment Act.

7. Other comments or conditions not listed in the agreement

Confidentiality: ICBVI will abide by the guidelines for confidentiality as outlined in the Rehabilitation Act Amendments of 1998.

Dispute Resolution: ICBVI agrees to resolve disputes at the level closest to the client using the agency's internal procedures. When the dispute is between agencies, then the Rehab Services Chief and other agency official will meet to resolve the issue.
